

CIRCUS EQUIPMENT FOR SALE

The Circus has come to Accomsett and the children have been enjoying learning some skills they didn't even know they had this week. We hope that your child has found something that interested them and that they have challenged themselves with trying something new. If your child would like to continue to practice their circus skills and has been asking you to get them items such as Diabolos or Devil Sticks and you are wondering what they are talking about we are here to help.

We are selling a variety of items that were used in the gym classes this week and some other circus related items. This equipment is high-quality, from a company that provides equipment and juggling supplies to Cirque Du Soleil and the National Circus Project (the company that came in to work with our children).

If you are interested in purchasing any of this equipment please complete the attached order form and return it in an envelope labeled "CIRCUS EQUIPMENT" with a check payable to ACCOMPSETT ELEMENTARY PTA by Friday, January 27.

If you have any questions please contact Ellen Kyranakis at 366-4499 or mkyranakis@aol.com.
