

Library Book Donation Time!

Library book donations enable you to dedicate a book to Accomsett's library in your child's or family's name. Your child will love to see his or her name dedicated in a book at the school library and be the first person to take out "your" book. Donations of **\$15.00** can be made at this time for:

- * Special Occasions
- * In Honor Of
- * Birthdays
- * In Memory Of
- * Moving Up
- * or Just Because 😊

Our librarian will be choosing the titles based on the library's need. You can, however, choose a topic or request a book at a certain grade level. This is a great way to increase our inventory of books for the library and to ensure your donated book will be enjoyed by Accomsett's students over and over again.

If you would like to dedicate a book to the library, please print and fill out the below form and return it to the main office with a \$15.00 check made payable to Accompsett Elementary PTA.

Please mark the envelope "PTA Library Book Donations."

Books will be purchased every other month, so please send birthday dedications in advance!

If you have any questions, please email Liz Alpert at lizzy_sima@yahoo.com or call 979-0278
