

B.E.A.R. - "Be Excited About Reading" – PARP 2012

The PARP Decorating Committee is in need of student artists to help decorate the school. Cut out and color/decorate the bear below as you wish. Feel free to add clothing or other details.

In celebration of Kathleen Bart's new book, you could decorate your bear with clothing of children around the world. **All bears are due to the Accomsett Main Office by Thursday, Jan. 26th.**

Additionally, students are also encouraged to **make a poster** of a landmark from around the world they wish to visit. On your poster, draw or cut out a picture of your landmark and include what you could see there. Example: "Climb 108 Stories to the top of the Eiffel Tower and see breathtaking views up to 37 miles around Paris."
